

"UNITED STRENGTH FOR PEACE WITH FREEDOM FOR ALL"

XVIlth WACL CONFERENCE

3 - 7 SEPTEMBER, 1984 SAN DIEGO, U.S.A.

REPORT OF AFGHANISTAN RESISTANCE SEMINAR

Recommendations

1. Urge the governments of the Free World to participate in filling the following urgently needed requirements for the Afghan Freedom Fighters.
 - A. Weapons: Air Defense (such as Red Eye); anti-tank weapons; and the training to use them.
 - B. Military winterized uniforms, boots and blankets.
 - C. Binoculars and good terrain maps of battle areas.
 - D. Food supplies including vitamins for the Freedom Fighters and the general population in country.
 - E. Seed and agricultural implements.
2. Urge the WACL to create a "Help Afghanistan" Committee to assist in encouraging the governments to provide assistance.
3. Establish "Free Afghanistan" Committees in each member country of WACL where such committees do not exist presently. These Committees should take the lead in a program of effective public relations which would publicize the Afghan cause and take actions including the following:
 - A. Publish and distribute appropriate literature.
 - B. Establish a Speakers Bureau.
 - C. Inform members of Parliaments and government leaders on the Afghan situation.
4. Encourage defection of Soviet troops in Afghanistan through radio broadcasts and other methods. Bring more Soviet defectors to public attention in the Free World.

5. Establish a "Free Afghanistan" Radio in Pakistan.
6. Encourage a boycott of Soviet goods in the Free World countries.
7. Investigate the plight of Afghan refugees in India.
